MEMORANDUM FOR

Commanders, MEDCOM Major Subordinate Commands
Deputy Chiefs of Staff, OTSG/MEDCOM OneStaff
Directors, OTSG/MEDCOM OneStaff

SUBJECT: Presidents’ Day Safety Message

1. Each Presidents’ Day we salute the leadership and achievements of all those who have held America’s highest elected office, serving as our President and Commander in Chief of our Armed Forces. While the holiday in February is still officially known as Washington’s Birthday, it has become popularly known as “Presidents’ Day,” the third Monday in February. Let us remember our former leaders and their leadership and contributions in making our Nation what it is today.

2. If you take advantage of the long weekend to travel or spend time outside, we ask that you mitigate the risks associated with your activities. Take advantage of the tools and resources available on the U.S. Army Combat Readiness Center website at https://safety.army.mil, to help plan your winter activities and manage risk. Everyone must remain vigilant, if you see something, say something.

3. We wish everyone a safe and enjoyable Presidents’ Day Holiday weekend. Your dedication and commitment continue to make us Army Safe and Army Strong!

One Team...One Purpose
Conserving the Fighting Strength since 1775!
